Go about one block and you will see our farm sign at the end of the driveway on the right. Turn in driveway, go to split, bear right. Will be marked with sale signs.

HERE'S HOW IT WORKS

Go to www.LiveAuctions.tv. Please note that you do NOT need an account to watch the auction, but you do need to register an account and request a buyer number if you wish to bid. If you have not created a new account since September 1st, 2020 you will need to click "Register" in the top right corner of the homepage and create a new account. Once you have completed the form on this registration page and hit the "Register" button you will receive an e-mail with a place to click on to verify you have entered a valid e-mail address. Once you have completed this registration process, find the auction you are interested in on the homepage and click on it (sales are listed in chronological order). You should then see a box that says Login. Now that you have an account with LiveAuctions just type in your E-mail Address and Password. You will now see a hyperlink at the top that says "Request a Buyer Number". The first time you request your first buyer number on LiveAuctions it will send you a text message with a verification code in it. Type the code from the text message into the area requiring it and you will then see your name along with a buyer number listed at the top of the webpage where the live video is and you will be able to bid. You will only have to complete this two-step verification process one time. After that you will be able to immediately request a buyer number on any auction without verification through an e-mail or text message again.

LiveAuctions no longer requires an app. If you wish to view/register/bid on a smartphone just type LiveAuctions.tv in whatever web browser you use. The registration process is the same as it is on a desktop computer, but the website is built mobile friendly. Click on the three lines in the top right corner to access the menus.

Bidders who are successful in making purchases will be contacted by the ranch after the auction to settle payment and discover your shipping plans.

If you need help registering to bid or to view the auction please call Technical Support at (682) 816-4900 or e-mail us at TechSupport@LiveAuctions.tv.

- A mature brood cow that is bold sprung, easy fleshing, has a good udder and milk flow and does her job well.
- Her pedigree is stacked with production genetics that will keep you in the cow business. Logic, Kelly, Solution, Total Package were all cattle that left a strong influence on the programs they worked in.
- A Houston calf from this lady could be extra special.
- AI serviced on April 20, 2022, to SHF Houston D287-H086 (44123641), then pasture exposed from May 13 to July 31, 2022, to NJW 44C 150E On Duty 21J. Safe in calf.

- Our selection from the 2022 Ned & Jan Ward bull sale.
- We were looking for a young bull that was balanced trait, heifer acceptable and high quality with a cow family behind him that would leave us exceptional daughters. We landed on this lad and are very happy with the way he has acclimated to Md. grass and climate.
- His grandmother on the dam side is a full sister to NJW 73S the dam of Trust 100W, Hometown 10Y, Homegrown 8Y, Hutton 114Z and numerous top producing females. His paternal great grandam is the famed NJW 79Z who is responsible for the modern-day cowherd at NJW. She tells her own story.
- We are excited about this young bull and anxiously await his first calves' next spring. We are happy to share his first services in this sale.

“Another View” from Church View

First and foremost, we would like to thank Jay and Shelly for inviting us to participate in their sale again this year. It would be extremely difficult to find nicer people to participate with. We would also like to thank our longtime friend, Dale Stith, for all of his help and friendship. His expertise in managing and auctioneering a sale is truly outstanding.

We have been raising Hereford cattle for over 80 years, and are now in our 5th generation. Overall, this may be the strongest and deepest group of cattle we have ever consigned to a sale. We did not hold any back and Dale

had to do a great deal of arm-twisting on some of them. Many of our lots are sons and daughters of nationally recognized AI sires and some are bred back the same way.

Eight of our lots are sired by our Certified Hereford Beef (CHB) Sire of Distinction bull, WHR 4013 747B Beefmaker 705F ET. He is also the service sire to three others. His calves are well marked and growthy, and we can't wait for them to mature and come into production. The 4013 cattle are performing really well across the country and are very accepted in the marketplace.

It should be noted that thanks to Lindsey, almost all cattle with Church View prefixes are halter broke and many are “kid friendly.”

A huge thank you to all past purchasers of our cattle both at the sales and private treaty. We look forward to meeting and greeting you at the sale.

With all the challenges in this country and throughout the world, it has to be exhilarating to return home to enjoy good Hereford cattle.

Sincerely,

Bill, Tara, Lindsey, and Anthony

- A R Leader three-year-old out of one of our foundation cows who is 13 years old.
- This one could be bred for longevity.
- She is raising our youngest heifer calf in the sale.
- Vet palpated safe, due approximately late February or early March.
- Pasture exposed from May 2 to July 31, 2022, to Church View LLJ D1 Rambo 611G.

- **Lot 33A:** Heifer calf tattoo 921K (44353804), calved April 4, 2022, by WHR 4013 747B Beefmaker 705FET.
- Would bet that this April heifer calf by "Hawk" will grow into someone's favorite cow.
- As stated earlier, we can't wait to see his daughters when they mature!
- Act. BW 71 lb. OCV.

- Darla has two of my best families in her pedigree. Maternally the Embassy line and my HCC Taryen cow on the sire's side.
- She is a solid, level uddered cow that has consistently out produced herself the last three years with her first two females still in my herd, and the third in offering here in the sale out of my Long Range son.
- You can bring her home with confidence and she will produce.

- Real nice Sustain two-year-old I'm offering. These females are all coming into their milk and raising solid calves.
- I have three other Sustain cows in production and are all doing a great job with their calves.
- Her grandmother I sold in last year's sale and was my top seller. Took her out last year and showed her a little — standing well or middle of the class and has a really good attitude, so bring her home with confidence.
- A cow with eye appeal and will do well in any herd.
- Pasture exposed from May 20 to July 6, 2022, to BR 203D Rancher 1H, and observed bred on June 1, 2022.
